

Klamath ARES Net Script

Good evening, this is the ***Klamath County ARES NET***

This Net is conducted every Monday evening at 7:00 PM Local time on the Hamaker repeater, 146.850 MHz, negative offset, with a DCCS tone of 118.8 Hz

This net provides emergency communications updates and information for Klamath County ARES...

All licensed amateurs are welcome to check in
OR
This is an active ARES-only net

This is a directed net... all traffic must go through Net Control... if you need to speak to another participant please say your CALLSIGN DIRECT and wait to be recognized

This net also passes non-emergency traffic to and from the National Traffic System... If you have traffic, please say so, and hold your traffic until requested by Net Control

Anyone having Emergency Traffic may break the net at any time by Saying ***EMERGENCY EMERGENCY...*** [extra pause]

This is ***[name, ALPHA callsign]***, your Net Control for this evening

[announcements]... do we have any additional announcements?

Do we have any ***visitors*** who would like to check in?

Do we have any check-ins ***without traffic?***

Do we have any check-ins ***with traffic?***

Last call for announcements or check-ins?

This is ***[name, ALPHA callsign]***, closing the net at ***[time]***, and returning the repeater to regular use

I would like to thank everyone for checking in and participating...

I would especially like to thank the ***Klamath Basin Amateur Radio Association*** for the use of the repeater.

Good Night Everyone, this is ***[name, ALPHA callsign]***, 73! ***[callsign]***
